NOTES:

ARTICLE VI**COMMON AREAS; MAINTENANCE**

6.1 Common Areas

The Association shall take title to the Common Area that is part of the Property free and clear of all encumbrances, except non-monetary title exceptions and this Declaration not later than the date the first Lot is conveyed to an Owner (other than Declarant). The Covenants are hereby imposed upon the Common Area for the benefit of Declarant, the Association, and the Owners, and their respective personal representatives, successors and assigns, to the end and intent that the Association shall have and hold the said Common Area subject to the reservations set forth in Article V hereof, and to the Project Documents.

6.2 Owner's Right of Enjoyment

Every member of the Association shall have a non-exclusive right and easement for the use, benefit and enjoyment, in common with others, in and to the Common Area and such non-exclusive right and easement shall be appurtenant to and shall pass with the title to every Lot, subject to the restrictions herein. Except as otherwise permitted by the provisions of this Declaration, the Common Area shall be retained in its natural state, and no Structure or improvement of any kind shall be erected, placed or maintained thereon. Structures or improvements designed exclusively for community use, shelters, benches, chairs or other seating facilities, fences and walls, walkways, drainage and utility structures, grading and plantings, may be erected, placed and maintained on Common Area by the Association. No portion of the Common Area may be used exclusively by any Owner

for private uses.

6.4 Maintenance Obligations of the Owners

Owners are responsible for the cleaning and maintenance of air conditioning units, all glass surfaces, windows and window screens. Any repair and maintenance work must match the original or be approved in advance by the Board. Owners are also responsible for all interior components of their Living Unit, storage units, and Limited Common Areas.

6.5 Party Walls

Each wall which is built as a part of the original construction of the Lots upon the Properties and placed on the dividing line between Lots shall constitute a party wall, and, to the extent consistent with this Article, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omission shall apply thereto. The cost of reasonable repair and maintenance of a party wall shall be shared by the Owners who use of the wall in proportion to such use. However, if one Owner is negligent or willfully damages a party wall, that Owner shall bear the whole cost of repairing the wall. If a party wall is destroyed or damaged by fire or other casualty, any Owner who has used the wall

shall restore it, and if the other Owners thereafter make use of the wall, they shall contribute to the cost of restoration thereof in proportion to such use with prejudice, however, to the right of any such Owners to call for a larger contribution from the other under any rule of law regarding liability for negligent or willful acts or omissions.

6.6 Limited Common Areas

Limited Common Areas described on the Map shall be appurtenant to the Lots to which they are assigned on the Map. Limited Common Area shall not be partitioned or separated from the Lot to which it is assigned on the Map.

ARTICLE VII

GENERAL AND SPECIFIC EASEMENTS

7.1 Easement for Encroachment

If any part of the Common Areas encroaches or shall hereafter encroach upon a Lot or Lots, an easement for such encroachment and for the maintenance for the same shall and does exist. If any part of a Lot encroaches or shall hereafter encroach upon the Common Areas, or upon an adjoining Lot or Lots, an easement for such encroachment and for the maintenance shall and does exist. Such encroachments shall not be considered to be encumbrances either to the Common Areas or to the Lots. Encroachments referred to herein include, but are not limited to, encroachments caused by error in the original construction of the building(s) on the tract, by error in the appropriate Record of Survey Map, by settling, rising or shifting of the earth, or by changes in position caused by repair or reconstruction of the Project or any part thereof.

7.2 Access for Repair of Common Areas

Some of the Common Areas are or may be located within the Lots or may be conveniently accessible only through the Lots. The Owners of the other Lots shall have the irrevocable right, to be exercised by the Board, as its agent, to have access to each Lot and to all Common Areas from time to time during such reasonable hours as may be necessary for the maintenance, repair or replacement of any of the Common Areas located therein or accessible therefrom or for making emergency repairs therein necessary to prevent damage to the Common Areas or to another Lot. The Board shall also have such rights independent of the agency relationship.

7.3 Emergency Repairs

Damage to any part of a Lot or Lots resulting from the maintenance, repair, emergency repair, or replacement of any of the Common Areas or as a result of emergency repairs to another Lot at the insistence of the Board shall be the responsibility of the Association. However, if such damage is the result of negligence of an Owner, then such Owner shall be financially responsible for all such damage. Such damage shall be repaired and the property shall be restored substantially to the same condition as existed prior to damage. The Board shall collect amounts owing by Owners pursuant hereto by assessment.

7.6 Easement to Board of Directors and Manager

The Board and Management Company shall have non-exclusive easements to make such use of the Common Areas as may be necessary or appropriate to perform the duties and functions which it is obligated or permitted to perform pursuant to this Declaration.

NOTE:

ARTICLE VIII***USE RESTRICTIONS***

8.1 Use of Lots

Each of the Lots in the Project is limited to single Family, residential use only. Each Lot and Owner is subject to the uses and restrictions imposed by such restrictions (including any parking restrictions).

8.2 No Obstruction of Common Areas

There shall be no obstructions of the Common Areas by the Owners, their tenants, guests or invitees without the prior written consent of the Association. The Association may by Rules and Regulations prohibit or limit the use of the Common Areas as may be reasonably necessary for protecting the interests of all the Owners or protecting the Lots, Limited Common Areas, or the Common Areas.

Nothing shall be kept or stored on any part of the Common Areas without the prior written consent of the Association, except as specifically provided herein. Nothing shall be altered on, constructed in or removed from the Common Areas except upon the prior written consent of the Association.

8.3 Cancellation of Insurance

Nothing shall be done or kept in any Lot or in the Common Areas or any part thereof which would result in the cancellation of the insurance on the Project or any part thereof or increase of the rate of the insurance on the Project or any part thereof or increase of the rate of the insurance on the Project or any part thereof without the prior written consent of the Association.

Nothing shall be done or kept in any Lot or in the Common Areas or any part thereof which would be a violation of any statute, rule, ordinance, regulation, permit or other validly imposed requirement of any governmental body. No damage to, or waste of, the Common Areas or any part thereof shall be committed by any Owner or any invitee of any Owner, and each Owner shall indemnify and hold the Association and the Owners harmless against all loss resulting from any such damage or waste caused by him or his invitees.

8.4 Rules and Regulations

No Owner shall violate the Rules and Regulations for the use of the Lots and of the Common Areas as adopted from time to time by the Board.

No Owner shall make any structural alterations to a Lot or Limited Common Area without the prior written consent of the Board.

8.6 Window Coverings

Under no circumstances shall any cardboard or tinfoil be used as window coverings in the Project.

8.7 Signs

No signs whatsoever shall be erected or maintained in the Common Areas without the prior written consent of the Board.

8.8 Pets

Dogs, cats or other household pets shall be allowed on Lots within the Project if: (1) Ownership of the pet does not violate any local, state or federal laws; (2) The Resident accepts full liability for his or her pet; (3) Any pet allowed outside of the owner's Lot is accompanied by the owner and is on a leash and under control; (4) The pet owner promptly cleans up all of his or her pet's droppings; (5) The pet is licensed and vaccinated in accordance with Weber County ordinances; (6) Upon request, the Board is given a copy of the pet's license and proof of vaccination, along with a description sufficient to describe the pet; (7) The pet owner complies with the administrative rules and regulations as they may be adopted or modified by the Board from time to time; and (8) No animals or birds of any kind shall be raised, bred, or kept in any of the Common Areas.

Anything to the contrary notwithstanding, no pet shall be allowed to create or maintain a nuisance. At the discretion of the Board, after notice and a hearing, any pet that is considered to be a nuisance shall not be allowed to remain within the confines of the Project. For the purposes of this paragraph a nuisance is defined as any behavior which annoys or disturbs other Residents, including but not limited to any abnormal, unreasonable or excessive barking, whining, or scratching; any behavior which creates an unacceptable odor, an unhygienic environment or a dangerous condition; or any behavior which establishes a propensity for harm.

If a pet owner violates any of these covenants, conditions or restrictions, including any administrative pet rules and regulations, the Board shall have the express authority to issue

citations or levy assessments, and collect these by judgment, lien or foreclosure. In extreme cases, the Board may require that the Owner remove their pet from the premises.

8.9 Storage and Parking of Vehicles

No motor vehicle or trailer, including but not limited to any automobile, commercial vehicle, truck tractor, mobile home, or trailer (either with or without wheels), camper trailers, boat or other water craft, boat trailer, or any other transportation device of any kind may be parked or stationed in front of any garage, walkway, driveway, Lot, Limited Common Area or Common Area.

Visitors may only park their motor vehicles temporarily in accordance with the Rules and Regulations promulgated by the Board.

No Residents or visitors shall repair or restore any motor vehicle of any kind upon any Lot, Limited Common Area, or Common Area, except for emergency repairs, and then only to the extent necessary to enable movement thereof to a proper repair facility.

Motor Vehicles parked in unauthorized areas, or in violation of the parking rules and regulations established by the Board, may, at owner's expense, be towed away. The Board shall be required to follow all municipal ordinances and codes regarding towing enforcement prior to towing a vehicle.

All parking spaces shall be used for the purpose of parking motor vehicles and shall not be used as storage facilities.

8.10 Leases

Any lease agreement shall provide that the terms of the lease shall be subject in all

respects to the provisions of the Project Documents and that any failure by the lessee to comply with the terms of such documents shall be a default under the lease. All leases shall be in writing and shall be filed with the Association.

Leases shall also prohibit smoking and shall require that tenants who own pets will register the pets with the Association.

No more than forty percent (40%) of Living Units may be used for lease or rental purposes at any given time. "Leasing or renting" of a Living Unit means the granting of a right to use or occupy a Unit for a specific term or an indefinite term (with rent stated on a periodic basis), in exchange for the payment of rent (money, property or other goods or services of value); but shall not mean and include joint ownership of a Unit by means of joint tenancy, tenancy-in-common or other forms of co-ownership.

The lease term shall not start until the Board has an opportunity to review the proposed lease agreement, and determines that the lease contains all required terms and does not exceed the forty percent (40%) lease limit. The Board shall approve or deny an owners lease or rental agreement within ten (10) days of submission for approval.

The Board shall track the number of rentals in the Project, and shall deny an Owner if their lease exceeds forty percent (40%). The Board shall also deny any lease or rental agreement not containing all required terms.

If an Owner fails to submit the lease agreement with the required terms, and rents or leases any Living Unit, and/or rents or leases any Unit after the Board has denied the Owner, the Board may assess fines against the

Owner and the Lot in an amount to be determined by the Board pursuant to a schedule of fines. In addition, regardless of whether any fines have been imposed, the Board may proceed with any other available legal or equitable remedies, including but not limited to, an action to terminate the rental or lease agreement and removal of any tenant or lessee.

8.11 Aerials, Antennas and Satellite Dishes

It is the intent that this policy not be inconsistent, incongruent or in conflict with applicable local, state and federal legislation. Aerials, antennas and satellite dishes shall be prohibited within the Project, except (a) antennas or satellite dishes designed to receive direct broadcast satellite service which are one meter or less in diameter; (b) antennas or satellite dishes designed to receive video programming services via multipoint distribution services which are one meter or less in diameter or diagonal measurement (hereafter referred to as "Permitted Devices") shall be subject to the following:

(a) located in the attic or other interior spaces of the residential unit, so as not to be visible from outside the unit;

(b) attached to or mounted behind the area appurtenant to the residential unit on the rear wall of the building containing the residential unit so as to extend no higher than the plane commencing the next story of the building or the eaves of the building at a point directly above the position where attached or mounted to the wall.

Notwithstanding the foregoing, should an Owner determine that a Permitted Device cannot be located in compliance with the

above guidelines without precluding reception of an acceptable quality signal, then the Owner may install the device in the least conspicuous alternative location on the Lot where an acceptable quality signal can be obtained.

The Board may adopt rules establishing a preferred hierarchy of alternative locations and require screening of all Permitted Devices, so long as such rules do not unreasonably increase the cost of installation, maintenance, or use of the Permitted Device. Anything to the contrary notwithstanding, no Permitted Device may be located in the common area without the express prior written consent of the Board. Permitted Devices may only be installed in, on or within property which a party owns or is subject to his exclusive use.

8.12 Timeshares

Timeshares and time-sharing of Living Units within the Project is prohibited, and under no circumstances shall any Living Unit be owned or used for time sharing, including but not limited to a "time period unit" as that term is defined in Utah Code Ann. § 57-8-3(26), as amended. The Board shall have the power to adopt, enforce and revise reasonable rules and regulations to prevent such time-sharing of Units. The Owners desire to preserve the original concept of the Project as an outstanding recreational living accommodation, to facilitate the efficient and inexpensive maintenance and repair of all parts of the Project, and to maintain property values to the benefit of all Owners or Units in the Project.

8.13 Smoking

a. Smoking within a Unit or on the Limited Common Areas or Common Areas of the Project is a noxious and offensive activity creating a nuisance. Accordingly, smoking in a Unit or on the Limited Common Areas or Common Areas of the Project is strictly prohibited.

b. Owners shall be fined for smoking violations according to the fine schedule adopted by the Board related to smoking violations.

c. All Owners who rent or lease their Unit shall prohibit smoking in their rental or lease agreements and shall inform their tenants of the Association's no smoking rule.

8.14 Temporary Structures, etc.

No structure of a temporary character, or trailer, camper, tent, shack, garage, or other outbuilding shall be used on any Lot, Limited Common Area, or Common Area at any time as a residence either temporarily or permanently, unless first expressly approved in writing by the Board.

8.15 Clothes Drying Facilities

Outside clotheslines or other outside facilities for drying or airing clothes shall not be erected, placed or maintained on any Property unless they are erected, placed and maintained within a fenced yard so as to not be visible from any neighboring Lot or Common Area.

NOTES:

ARTICLE IX

The Board of Directors shall have, and is hereby granted, the following authority and powers:

(11) The Board may carry out through a project manager any of its functions which are properly the subject of delegation. Any manager so engaged shall be an independent contractor and not an agent or employee of the Board or Association, shall be responsible for managing the Project for the benefit of the

Common Areas and all other areas of Association responsibility and for the administration, management and operation of the Association. If the Board of Directors fails to adopt an annual budget, the last adopted budget shall continue in effect.

(b) Determination of Annual Assessment.

(1) The Board shall fix the amount of the Annual Assessment against each Lot for each assessment period at least thirty (30) days in advance of the beginning of the period. Written notice of the Annual Assessment shall be sent to all members of the Association at least thirty (30) days in advance of the beginning of any assessment period.

(2) The omission by the Board of Directors, before the expiration of any assessment period, to fix the amount of the Annual Assessment for that or the next period, shall not be deemed a waiver or modification in any respect of the provisions of this article or a release of any member from the obligation to pay the Annual Assessment, or any installment thereof, for that or any subsequent assessment period. In the event of such omission, the Annual Assessment fixed for the preceding period shall continue until a new assessment is fixed.

10.3 Apportionment of Assessments

Assessments shall be apportioned as follows:

(a) Annual, Special and Emergency

Assessments. Annual, Special and Emergency Assessments shall be equally apportioned among all the Lots.

(b) Individual Assessments. Individual Assessments shall be apportioned exclusively against the Lots benefited or to which the expenses are attributable.

(c) Payment of Assessments. In the Board's discretion, installments of Annual Assessments may be levied and collected on a quarterly, semi-annual or annual basis rather than on a monthly basis. Any member may prepay one or more installments of any Assessment levied by the Association, without premium or penalty.

10.4 Personal Obligation and Costs of Collection

(a) Assessments imposed under this Declaration, together with interest, and costs and reasonable attorneys' fees incurred or expended by the Association in the collection thereof, shall also be the personal obligation of the Owner holding title to any Lot at the time when the assessment became due.

(b) The personal obligation for any delinquent Assessment, together with interest, costs and reasonable attorneys' fees, however, shall not pass to the Owner's successor or successors in title unless expressly assumed by such successor or successors.

10.5 Special Assessments.

In addition to the Annual Assessments authorized in this Article, the Association may levy in any assessment year, a special

assessment ("Special Assessment"), applicable for that year only, for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of the Common Area; provided that such assessment shall first be approved by fifty-one percent (51%) of the Owners, voting in accordance with the Bylaws.

10.6 Emergency Assessment

(a) If the Annual Assessments levied at any time are, or will become, inadequate to meet all expenses incurred under this Declaration for any reason, including delinquent Assessments, the Board shall, as soon as practicable, determine the approximate amount of the inadequacy and adopt a resolution which establishes a supplemental budget and levies the additional assessment ("Emergency Assessment"). The resolution shall specify the reason for the Emergency Assessment.

(b) Any Emergency Assessments in a fiscal year, which in the aggregate exceed ten percent (10%) of the budgeted expenses of the Association shall be considered a Special Assessment and shall require approval as such.

10.7 Individual Assessments

(a) Any expenses benefiting or attributable to fewer than all of the Lots may be assessed exclusively against the Lots affected or benefited ("Individual Assessment"). Individual Assessments shall include, but are not limited to:

(1) Assessments levied against any Lot to reimburse the Association for costs incurred in bringing the Lot, Limited Common Area, or its Owner into

compliance with the provisions of this Declaration or rules and regulations of the Association and for fines or other charges imposed pursuant to this Declaration for violation of the Project Documents.

(2) Any reasonable services provided to Lot by the Association due to an Owner's failure to maintain the same in order to protect the health, safety and welfare of the Association in general.

10.8 Nonpayment of Assessments

Any assessment or portion thereof not paid within thirty (30) days after the due date:

(a) Shall be delinquent and shall bear interest from the due date at the rate, established by resolution of the Board of Directors, not to exceed the maximum rate permitted by law, and

(b) Shall be subject to a monthly late charge in such an amount as determined to be reasonable by the Board of Directors in their discretion and evidenced by Board resolution.

10.9 Lien for Assessments

All Assessments imposed shall be a charge and continuing lien upon each of the Lots against which the assessment is made in accordance with the terms and provisions of this Article and shall be construed as a real covenant running with the land.

10.10 Subordination of Lien to Mortgages

(a) The priority of a lien for Assessments shall be determined by Utah law governing priority of security interests in real property.

(b) The sale or transfer of any Lot pursuant to mortgage or deed of trust foreclosure, or any proceeding in lieu thereof, shall extinguish the lien for assessments which became due prior to such sale or transfer. Such sale or transfer shall not relieve the Lot from liability for any Assessments thereafter becoming due, nor from the lien of any future assessment.

10.11 Enforcement of Lien

The Association may establish and enforce the lien for any Assessment, including any Assessment created pursuant to the provisions of this Declaration. The lien is imposed upon the Lot against which the Assessment is made. The lien may be established and enforced for unpaid assessments, damages, interest, costs of collection, late charges, and attorneys' fees. The lien may be foreclosed in the same manner as either deeds of trust, mortgages, or in any other manner permitted by Utah law. The collection remedies stated herein are cumulative and the use of one does not preclude the use of other remedies.

10.12 Suspension of Voting Rights

The Board of Directors shall have the right to suspend any Owner's right to vote during any period of time that the Owner carries a past due assessment balance.

10.13 Absentee Owner Failure to Pay Assessments

In the event that an absentee Owner fails to pay any assessment obligation hereunder, and a tenant occupies the Lot, the Association may demand that the tenants pay to the Association any rent owing to

said Owner. Said amount received shall be applied to the Owner's account and payments hereunder shall not constitute a breach of the lease agreement between the Owner and Tenant. Any rent payments received by the Association shall not constitute a breach of the lease or rent agreement.

10.14 Termination of Utilities

In the event that an Owner fails to pay their Assessments, the Association may terminate any utilities paid for out of assessments until the correction of the violation has occurred. The procedure and process to terminate

utilities found in the Utah Code shall be followed when terminating utilities.

10.15 Reserve Account

The Association shall establish a reasonable reserve account for the funding of long term maintenance and/or replacement items. The Board shall use reasonable efforts to fund said reserve account but shall not be held personally liable for a failure to fully fund said account as long as gross negligence or intentional misconduct is not proven in a court of law.

ARTICLE XI

INSURANCE

11.1 Insurance

Lot Owners are required to carry and maintain adequate property and liability insurance on their Lots. An Owners' policy shall serve as primary insurance in the event any damage is caused to another Lot, Limited Common Area, or Common Area so long as fault is attributable to the said Owner. The Board may request that Owners provide proof of adequate insurance.

The Association shall secure and at all times maintain the following insurance coverage:

(a) A master or blanket policy of property insurance, with extended coverage and all other coverage in the kinds and amounts commonly required by private institutional mortgage investors for projects similar in construction, location and use on a replacement cost basis in an amount not less than one hundred percent (100%) of the insurable value (based upon replacement cost).

Each such policy shall contain the standard mortgagee clause which must be endorsed to provide that any proceeds shall be paid to the Association for the use and benefit of mortgagees as their interests may appear. The insured shall be the Association as a trustee for the Owners, or their authorized representative. Such insurance must provide protection against at least the following loss by fire and other hazards covered by the standard extended coverage.

(b) A comprehensive policy of public liability insurance covering all of the

Common Areas insuring the Association, the Board, the Manager, and the Owners against any liability incident to the ownership, use, or operation of the Common Areas and public ways of the Project or of any Lot which may arise among themselves, to the public, or to any invitees, or tenants of the Project, or of the Owners. Limits of liability under such insurance shall be not less than One Million Dollars (\$1,000,000.00) covering all claims for personal property injury and for property damage arising out of a single occurrence, including protection against water damage liability, liability for nonowned and hired automobile and liability for property of others. Such insurance policy shall contain a "severability of interest" endorsement which shall preclude the insurer from denying the claim of an Owner because of negligent acts of the Association or other Owners. The scope of coverage must include all other coverage in the kinds and amounts required by private institutional mortgage investors for similar projects in location, construction and use.

(c) The Association shall maintain fidelity coverage to protect against dishonest acts on the part of Directors, manager (including, but not limited to, employees of professional managers) employees, or volunteers responsible for handling funds belonging to or administered by the Association. The fidelity bond or insurance must name the Association as the obligee and shall be written in an amount sufficient to provide protection which in no event shall be less than one-half of the insured's estimated annual operating expenses and reserves unless a greater amount is required

by majority of the Mortgagees or their designees.

In connection with such coverage any persons who serve without compensation shall be added if the policy would not otherwise cover volunteers. All fidelity bond coverage shall provide that they may not be canceled or substantially modified (including cancellation for nonpayment of premium) without at least 30 days prior written notice to the service on behalf of Mortgagees.

The following additional provisions shall apply with respect to insurance:

(1) In addition to the insurance and bond coverage described above, the Association shall secure and at all times maintain insurance against such risks as are or hereafter may be customarily insured against in connection with all projects similar to the Project in construction, nature and use.

(2) Each hazard insurance policy shall be written by a company holding a financial rating of Class VI or better as designated in Best's Key Rating Guide. Each insurer must be specifically licensed to transact business within the State of Utah. Policies are unacceptable where (i) under the terms of the carrier's charter, Bylaws or policy, contributions or assessments may be made against the borrower or the Mortgagee, or its designee; or (ii) by the terms of the carrier's charter, Bylaws or policy, loss, payments are contingent upon action by the carrier's board of directors, policy holders, or members; or (iii) the policy includes any limiting clauses (other than insurance conditions) which could prevent the Mortgagee or the borrower from

collecting insurance proceeds.

(3) The Board shall have the authority to adjust losses.

(4) Insurance secured and maintained by the Association shall not be brought into contribution with insurance held by the individual Owners or their mortgagees.

(5) Each policy of insurance obtained by the Association shall provide: a standard mortgagee clause commonly accepted by private institutional mortgage investors in the area in which the Project is located; a waiver (if available) of the insurer's subrogation rights with respect to the Board, the manager, the Owners, their respective servants, agents, and guests; that it cannot be canceled, suspended or invalidated due to the conduct of any member, officer or employee of the Association or of the manager without a prior written demand that the defect be cured; that any "no other insurance" clause therein shall not apply with respect to insurance held individually by the Owners; and that a mortgagee clause endorsement which must provide that the insurance carrier shall notify in writing any and all insureds, including the servicers on behalf of Mortgagees or designees thereof at least thirty (30) days in advance of the effective date of any substantial modification or cancellation of the coverage.

(6) Each Owner shall obtain additional insurance at his own expense, as long as such additional insurance does not have the effect of decreasing the amount which may be realized under any policy maintained by the Association. Each Owner shall supply the Association with a copy of

his policy within 30 days after he acquires such insurance.

(7) Insurance coverage required by this Article must not be prejudiced by (i) any act or neglect of the Owners when such act or neglect is not within the control of the Association, or (ii) any failure of the Association to comply with any warranty or condition regarding any portion of the Project over which the Association has no control.

(8) All policies of property insurance must provide that notwithstanding any provision affording the insurer the right to elect to restore damage in lieu of a cash settlement, such option shall not be exercisable without the prior written approval of the Association (or any insurance trustee) or when in conflict with the provisions of any insurance trust agreement to which the insurance may be a party or any requirement of law.

11.2 Damage to Project

In the event of damage of or destruction to all of the improvements in the Project, the following procedures shall apply:

(a) If proceeds of the insurance maintained by the Association are alone sufficient to repair or reconstruct the damage or destroyed improvement, such repair or reconstruction shall be carried out.

(b) If less than 75% of the Project's improvements are destroyed or substantially damaged, and if the proceeds of the

insurance maintained by the Association are not alone sufficient to accomplish repair or reconstruction, restoration shall be carried out and all the Owners shall be assessed for any deficiency on an equal basis.

(c) If 75% or more of the Project's improvements are destroyed or substantially damaged, and if proceeds of the insurance maintained by the Association are not alone sufficient to accomplish restoration, and if the Owners within 100 days after the destruction or damage by a vote of at least 75% elect to repair or reconstruct the affected improvements, restoration shall be accomplished in the manner directed under subparagraph (b) above.

(d) If 75% or more of the Project's improvements are destroyed or substantially damaged, if proceeds of the insurance maintained by the Association are insufficient to accomplish restoration, and if the Owners do not, within 100 days after the destruction or damage and by a vote of at least 75%, elect to repair or reconstruct the affected improvements, the Board of Directors shall promptly record with the Weber County Recorder a notice setting forth such facts.

Any reconstruction or repair which is required to be carried out by this Article regarding the extent of damage to or destruction of Project improvements shall be made by three appraisers selected by the Board of Directors. The decision of any two such appraisers shall be conclusive.

NOTES:

ARTICLE XII

*MORTGAGEE PROTECTION***12.1. Mortgagee Protection**

Notwithstanding anything to the contrary contained in the Declaration:

(a) Any mortgage holder which comes into possession of the Lot pursuant to the remedies provided in the Mortgage or foreclosure of the Mortgage or deed (or assignment in lieu of foreclosure) shall be exempt from any "right of first refusal," or other provisions which may exist relating to sale or lease of the Lots in the Project, and no right of first refusal shall impair the rights of any first mortgage to: (i) foreclose or take title to a Lot pursuant to the remedies provided in the Mortgage, or (ii) accept a deed (or assignment) in lieu of foreclosure in the event of default by a mortgagor, or (iii) interfere with a subsequent sale or lease of the Lot so acquired by the Mortgagee.

(b) In the event of damage to or destruction of any Lot, which loss exceeds \$1,000.00, or any part of the Common Areas, which loss exceeds \$10,000.00, the institutional holder of any first mortgage on a Lot shall be entitled to timely written notice to any such damage or destruction. No Owner or other party shall be entitled to priority over such institutional holder with respect to the distribution to such Owner of any insurance proceeds regardless of the amount of loss. Upon request of any first mortgagee, the Association must provide a letter to said first Mortgagee wherein the Association agrees to notify the first Mortgagee or any organization it designates at the address indicated by the Mortgagee whenever (i) damage to a Lot covered by the first Mortgagee's mortgage exceeds

\$1,000.00, or (ii) damage to the Common Areas and related facilities exceeds \$10,000.00.

(c) If any Lot or portion thereof or the Limited Common Areas, Common Areas or any portion thereof is made the subject matter of any condemnation or eminent domain proceeding or is otherwise sought to be acquired by a condemning authority, the institutional holder of any first mortgage of a Lot shall be entitled to timely written notice of any such proceeding or proposed acquisition. No Owner or other party shall have priority over such institutional holder regardless of the amount of the condemnation award with respect to the distribution to such Owner of the proceeds of any award or settlement.

(d) Each holder of a first mortgage lien on a Lot who obtains title to a Lot by virtue of remedies provided in the Mortgage, including but not limited to, foreclosure of the mortgage, or by deed of assignment in lieu of foreclosure, or any purchaser at a foreclosure sale, shall take the Lot free of unpaid charges and shall not be liable for any unpaid claims or assessments and charges against the Lot which accrue prior to the acquisition of title of such Lot by Mortgagee, except for claims for a pro rata share of such assessments or charges to all Lots including the mortgaged Lot.

(e) Any lien which the Board may have on any Lot in the Project for the payment of Common Expenses assessments attributable to such Lot will be subordinate to the lien or equivalent security interest of any first mortgage on the Lot recorded prior to the

date any such Common Expense Assessments become due.

(f) Unless at least 75% of the institutional holders of first Mortgages (based on one vote for each Mortgage owned) of Lots have given their consent neither the Board, Owners nor the Association shall:

(1) By act or omission, seek to abandon or terminate the Project, except in the case of substantial destruction by fire or other casualty or in the case of a taking by condemnation or eminent domain.

(2) By act or omission, seek to amend, partition, subdivide, encumber, sell, abandon or transfer the Common Areas. (The granting of easements for public utilities or for other public purposes consistent with the intended use of the Common Areas of the Project shall not be deemed a transfer within the meaning of this subparagraph).

(3) Use hazard insurance proceeds

for losses to any Lot or Common Area for reason other than the repair, replacement or reconstruction of such improvements, except as provided by statute in cases of substantial loss to the Project.

(g) Any institutional holder of a first mortgage (or trust deed) of a Lot in the Project will, upon request, be entitled to (i) examine the books and records of the Project during normal business hours; (ii) receive a financial statement of the Project within 90 days following the end of any fiscal year of the Project; and (iii) written notice of all meetings of the Association and be permitted to designate a representative to attend all such meetings.

(h) Whenever there is a change of ownership of a Lot, the Association shall require that the new Owner furnish the Board with the name of the holder of any first mortgage (or trust deed) affecting such Lot.

BY-LAWS

The following are the By Laws of Colonial Gardens Townhouses Owners Association, Inc..

ARTICLE I
PLAN OF LOT OWNERSHIP AND INCORPORATION

1. Submission. These are the By-Laws referred to in the foregoing Declaration of Covenants, Conditions, and Restrictions of Colonial Gardens Townhouses (the "Declaration"), which is located in Weber County, State of Utah, and shall govern the administration of the Project and the Association.

2. Organizational Form. If the Association is incorporated under the laws of the State of Utah, then these By-Laws shall also function and operate as the by-laws of the corporation.

3. Office and Registered Agent. The initial Registered Agent shall be David N. Johnson of 9710 South 700 East, Suite 101, Sandy, Utah 84070. However, after transfer of management and control of the Association is made by the Declarant to the members of the Association, the Registered Agent shall be the President of the Association and the Registered Office shall be the home of the President or such other place as shall be designated by him.

ARTICLE II
ASSOCIATION

1. Composition. The association of lot owners is a mandatory association consisting of all Owners.

2. Place of Meeting. Meetings of the Association shall be held at the principal office of the Association or at such other suitable place as may be designated by the Management Committee from time to time and stated in the notice of meeting.

3. Notice of Meeting. It shall be the duty of the Secretary to hand deliver or mail to each owner at his last known address, by regular U.S. mail postage prepaid, a notice of (a) each annual meeting of the Association not less than ten (10) and not more than thirty (30) days in advance of such meeting. The notice shall state the purpose, day, date, time and place of the meetings. The mailing of a notice of meeting in the manner provided in this Section shall be considered service of notice.

4. Qualified Voters. An Owner shall be deemed to be in "good standing" and "entitled to vote" at any meeting of the Association if, and only if, he shall be in full compliance with all of the terms, covenants, and conditions of the Project Documents, and shall have fully paid his share of the Common Expenses and all Assessments and/or Additional Charges due.

5. Proxies. The votes appertaining to any Lot may be cast pursuant to a proxy or proxies duly executed by or on behalf of the Lot Owner, or in cases where the Owner is more than one person, by or on behalf of all such persons. Any proxy shall be void if it is not dated, if it purports to be revocable without notice, or if it is not signed by a person having authority, at the time of the execution thereof, to execute deeds on behalf of that person. Unless it expressly states otherwise, a proxy shall terminate automatically (a) if the Owner attends the meeting in person, (b) it is revoked in writing and written notice of the revocation is given to the Secretary of the Association prior to the meeting, and (c) upon the adjournment of the first meeting held on or after the date of that proxy. Each proxy must be filed with the Secretary of the Association prior to the meeting. Only individual Owners or the legal representative of an institutional Owner may be proxies.

6. Quorum Voting. Fifty-one (51.0%) percent of the members of the Association shall constitute a quorum for the adoption of decisions. If however, such quorum shall not be present or represented at any meeting, the Owners entitled to vote thereat, present in person or represented by proxy, shall have power to adjourn the meeting and reschedule for a time no earlier than two days after the set time for the original meeting. No notice of such rescheduled meeting shall be required except an oral announcement at the meeting to be rescheduled. Those Owners present, either in person or by proxy, at the rescheduled meeting shall constitute a quorum for the adoption of decisions. When a quorum is present at any meeting, the vote of the Owners representing a majority of the members of the Association in person or by proxy, shall decide any question brought before the meeting. If the Declaration requires a fixed percentage of Owners to approve any action, however, that percentage shall be required anything to the contrary notwithstanding.

7. Order of Business. The order of business at all meetings of the Association shall be as follows:

- a. roll call;
- b. proof of notice of meeting;
- c. reading of minutes of preceding meeting;
- d. reports of officers;
- e. report of special committees, if any;
- f. election of inspectors of election, if applicable;
- g. election of Committee Members, if applicable;
- h. unfinished business; and
- I. new business.

8. Conduct of Meeting. The President shall, or in his absence the Vice-President, preside over all meetings of the Association; and the Secretary shall keep the minutes of the meeting as well as record of all transactions occurring thereat.

9. Open Meeting Policy. All Management Committee meetings shall be open to all voting members, but attendees other than members of the Management Committee may not participate in any discussion or deliberation unless a majority of a quorum requests that they be granted

permission to speak. In such case, the President may limit the time any such individual may speak.

10. Action May Be Taken Without A Meeting. Any action to be taken at the meeting of the Management Committee or any action that be taken at a meeting of the Management Committee may be taken without a meeting if a consent in writing, setting for the action so taken, shall be signed by all the members of the Management Committee. An explanation of the action taken shall be posted at a prominent place or places within the common areas with three (3) days after the written consents of all of the members of the Management Committee have been obtained.

11. Executive Session. The Management Committee, with approval of a majority of a quorum, may adjourn a meeting and reconvene an executive session to discuss and vote upon personnel matters, litigation or threatened litigation in which the Association is or may become involved, and orders of business of a privileged, confidential, sensitive or similar nature. The nature of any and all business to be considered in an executive session shall first be announced in open session.

ARTICLE III MANAGEMENT COMMITTEE

The affairs and business of the Association shall be managed by the Management Committee consisting of three (3) persons, who, after the termination of Declarant's Period of Control, shall be Lot Owners. At any such rescheduled meeting, any business which might have been

transacted at the meeting as originally called may be transacted without further notice.

9. Vacancies. Vacancies in the Management Committee caused by any reason other than removal of a member by a vote of the Association shall be filled by vote of the majority of the remaining members of the Committee at a special meeting of the Committee held for that purpose promptly after the occurrence of any such vacancy, even though the total members remaining may constitute less than a quorum of the committee; and each person so elected shall be a member for the remainder of the term of the member so replaced. A vacancy created by the removal of a member by a vote of the Association shall be filled by the election and vote of the Association.

10. Removal of Committee Member.
