Association Concerns

The Association has heard from many occupants of the following concerns:

1. **Vandalism:** Please make sure that no one, including kids are not messing with items that do not belong to them. Please also keep an eye on your own belongings and if you notice anything please notify Kaitlyn with the details.
2. **Speeding on Chateau Dr:** Please make sure that you are driving slowly down the Association roadway. This is especially important for the kids safety.
3. **Trespassing:** It has been noted that a man has been wondering around the Association ground using vulgar language and saying things of great concern. If anyone witnesses this please contact the local authorities and notify Kaitlyn of any information you may have so that we can resolve this issue as quickly as possible.
