News

•To access Chateau Park information go to:
www.goldenspike Realty.com.
On the left hand side there should be a link that says Chateau Park Condos. **Regulations have been updated.** You can access them at this website.

*If applicable please register any pets that you may have with Chateau Park; forms enclosed. Deadline is July 1st. After this date any pets not registered will be assessed a fee. In doing this we know which animal belongs to which unit if a problem arises. Also, all animals must be registered with the City, and up to date on vaccinations. All dogs must be on a leash at all times.

*The only time a board member should be contacted is if he/she cannot get ahold of Chad.

To Do

•We recently had all drains cleaned. It was recommended that we place two cups of Clorox down any drain overnight to prevent hair buildup etc. It is recommended that we do this at every main holiday; this is an easy way to remember. For the type of drains that we have this works best. Using Drano etc. is not good for the type of pipes that we have.

*Please fill out contact information and return if not already completed. Thank You!
