

Riverside Place Adult Community Homeowners Association Community Rules & Regulations

Feb 2023

The Rules and Regulations were approved by the Board in accordance with the provisions set forth in the Declaration (dated 2018) Article 8.11 on Feb, 2023.

Ethical responsibilities. If you are an Owner, renter, or even a visitor, you are expected to follow the Rules and Regulations established by the HOA Board. As an Owner living in a homeowners association, we have all willingly agreed to abide by the rules established by the HOA. We as Owners are also responsible to ensure that our guests are also following the rules. These rules are quite different than living in a private residence. We are living in a confined community and we share common areas. To make living here a good experience, we must learn to live together and have respect for each other's property and privacy. Living in a confined area means that what we do may affect our neighbors. In this document, the Board has tried to clearly establish the expectations and behavior of those who live in our community.

The items listed below are limited to the CC&Rs required regulations and the obvious problems that may come up. For those items not specifically addressed, please remember to treat everyone with respect. Since you are all investors in the HOA, we hope that you will make every effort to keep our community a beautiful and friendly place to live. We encourage you to contact a Board Member or HOA Management, Golden Spike Realty when you have an idea, a question, or any concern.
