## PEST CONTROL

Having issues with Pest/Rodents? The HOA recommends Intermountain Pest Control to resolve the issue. You can contact Kevin with Intermountain Pest Control at 801-391-3528. For an added treatment you can purchase and spray around the perimeter of your home a product called MoleMax-Mole & Vole Repellant. This product can be bought at any IFA Country Store.

## Annual Meeting Minutes

Meeting Minutes will be posted to the Association website no later than 3/14/2020. They can be found at [www.goldenspike Realty.com/riversideplace](http://www.goldenspike Realty.com/riversideplace). On this website you can also find a copy of the Rules & Regulations, CC&Rs and Bylaws along with payment information, meeting minutes and current and past newsletters.

## Spring

As Spring fast approaches it means sprinklers will begin to be turned on and tested. Please make sure all animal waste is picked up on a daily basis so not to interfere with workers during testing. The vendor will determine the watering schedule, please do not change this schedule but instead contact Kaitlyn with any questions or concerns of watering issues at [kaitlyn.goldenspike@gmail.com](mailto:kaitlyn.goldenspike@gmail.com) or 801-773-1777.
