Next Board Meeting: Aug 8th at 10am. Check website for meeting updates.

POOL

We hope everyone is enjoying this pool season. Just a couple of reminders:

Please make sure that food is not consumed near or in the pool area. Some trash has been found around the pool. Please be sure that all food is eaten at the tables or in the grassy area.

Residents of the Units **MUST** be present with any guests at the pool.

Please do not touch pool equipment, this includes the rocks used to keep the skimmer buckets in place. If you see something wrong please contact Management or a Board Member to report it.

Rules can be found on the website: www.goldenspike Realty.com/sherwoodpark

SPRINKLER REPAIRS

With summer here we now see some sprinkler issues. Please report sprinkler issues to Management so that the vendor can quickly make necessary repairs. Please do not touch timers as they are set for specific schedules.

DOGS

There has been complaints turned in of Dogs being in the Common Area off leash. Please make sure that all dogs are on leash and that you are outside with them. No dog should be off leash or left unattended. This is not only for the safety of Residents but also for your pets.

POND AREA

It has been reported that kids have been throwing rocks and other items at the ducks in the pond. We ask that parents please speak to kids and make sure that this does not continue. Please make sure that they are being careful and respectful in this area for both their safety and safety of the ducks and geese in this area.
