PET WASTE

Please make sure that all pet waste is properly cleaned up. Both in common grounds and in the fenced patio areas. Pet waste not cleaned up becomes a nuisance of smell and restricts grounds from being used. Please be responsible and clean up after your pet. Violations are being issued for pet waste not cleaned up.

FLOWER BED MAINT

If you would like to take care of the flower bed that surrounds your Unit please notify Mgmt so that the area can be added to the map of areas that the Landscaper does not need to tend to.

SPRING CLEAN UP

Spring Clean Up is scheduled for May 16t at 9am, meet at the Pool House. If you would like to volunteer, please contact Mgmt or a Board Member to be added to the volunteer list.

PARKING

No OVERNIGHT PARKING is permitted in the roadways, including in front of garages/carports. There is plenty of open stall parking available. Please see that all occupants in the Unit are parked in the Unit garage/carport or in one of the open stalls. Violations/tickets &/or towing will be issued to those not following the parking rules.

FENCED PATIOS/CARPORTS

All fenced patio areas and carport areas are to be kept in a clean and tidy manner. Please make sure that areas are kept free of trash, debris, pet waste, or personal belongings that are not permitted. Residents should be using storage areas and Units to store any items. We ask that this please be done so that areas are clean.
