

SUNPOINTE COVE CONDOMINIUMS HOMEOWNERS ASSOCIATION  
RULES AND REGULATIONS

(For a digital copy please visit the Association webpage at  
[www.goldenspikerealty.com/sunpointecove](http://www.goldenspikerealty.com/sunpointecove))

The Rules and Regulations were approved by the Board in accordance with the provisions set forth in the Declaration (dated 2000) on June 2022.

**Ethical responsibilities.** If you are an Owner, renter, or even a visitor, you are expected to follow the Rules and Regulations established by the HOA Board. As an Owner living in a condominium association, we have all willingly agreed to abide by the rules established by the HOA. We as Owners are also responsible to ensure that our guests are also following the rules. These rules are quite different than living in a private residence. We are living in a confined community and we share common areas and have roads that are narrower than most. To make living here a good experience, we must learn to live together and have respect for each other's property and privacy. Living in a confined area means that what we do may affect our neighbors. In this document, the Board has tried to clearly establish the expectations and behavior of those who live in our community.

The items listed below are limited to the obvious problems that may come up. For those items not specifically addressed, please remember to treat everyone with respect. Since you are all investors in the HOA, we hope that you will make every effort to keep our community a beautiful and friendly place to live. We encourage you to contact a Board Member or HOA Management, Golden Spike Realty when you have an idea, a question, or any concern.

**A. ANIMAL RESTRICTIONS**

No animals, livestock, reptiles, or poultry of any kind shall be raised, bred or kept on any lot or the Common Area, except usual and ordinary dogs, cats, fish, birds, and other household pets may be kept on Lots subject to rules and regulations adopted by the Association, provided that they are not kept, bred or maintained for commercial purposes or in unreasonable quantities.

One large dog (no more than 20lbs) shall be permitted per household. All owner/occupants shall keep pets within fenced area (on patios) or on a leash by a person capable of controlling the animal while outside of units. No unit may house more than 2 pets. No pet shall be allowed to roam common grounds. Any animals found roaming the common grounds may be subject to being caught or trapped and taken to local Animal Control Center.

**B. ARCHITECTURAL REQUESTS**

No building, fence, wall, patio cover, storm door, satellite dish, or other structure shall be commenced, painted, erected or maintained upon the properties, nor shall any exterior addition to, or change or alteration therein be made until the plans and specifications showing the nature, kind, shape, height, materials and location of the same shall have been submitted to and approved in writing as to harmony of external design color, location in relation to

surrounding structures and topography by the Board. The Board shall approve proposals or plans and specifications submitted for approval only if it deems that the construction, alterations or additions contemplated thereby in the locations indicated will not be detrimental to the appearance of the surrounding area of Sunpointe Cove as a whole; that the appearance of any structure affected thereby will be in harmony with the surrounding structures, and that the upkeep and maintenance thereof will not become a burden to the HOA.

The Board may condition its approval of proposals or plans and specifications on such changes therein as it deems appropriate, upon the agreement by the Owner submitting the same to grant appropriate easements to the board for the cost of maintenance, and may require submission of additional plans and specifications or other information prior to approving or disapproving material submitted.

The Board may also issue rules or guidelines setting forth procedures for the submission of plans for approval, requiring a fee payable to the HOA to accompany each application for approval, or additional factors which it will take into consideration in reviewing submissions. The board may provide that the amount of such fee shall be uniform, or that it be determined in any reasonable manner, such as by the reasonable cost of the construction, alterations or additions contemplated, provided that in no event shall such fee exceed One Hundred (\$100.00) Dollars. The Board may require such detail in plans and specifications submitted for its review as it deems necessary and proper, including, without limitations, floor plans, site plans, drainage plans, elevation drawings and descriptions or samples of exterior materials and colors. Until receipt by the Board of the requested material, the Board may postpone review of any plans submitted for approval.

Previously approved architectural changes and requirements for each item include: Decks, Patio Covers, and enclosed fences. After architectural request is made the requirements for each item will be issued.

The written notice shall follow State Code requirements including a description of the violation, the rule broken and the section where it is found in the Rules and Regulations and the CC&Rs.

If a violation is temporarily cured or stopped, but is repeated by the same lot owner within 120 days of the date a written notice of the violation is first served on the lot owner, the violation shall be deemed to be a continuing violation and the Board shall not be required to serve another notice of violation upon the lot owner but may rely upon the notice provided in the first written notice.

While under the direction of a Management Company the Board gives authority for Management Company to act in their behalf of sending written notice of violation and charging fines to all owners in violation of any fine listed there above or in the CC&RS.

If a lot owner repeats the violation more than 48 hours after receiving the written notice of violation but less than 120 days after receiving the notice, the lot owner shall be deemed to have not timely cured the violation and another violation can be applied.

All violations will be documented and kept on a violation registry. All violations will be removed from a unit owner's record once cured for the time of 6 months of last written notice.

After the owner has made their case, the Board will vote on the matter and provide written notice of their decision to the unit owner concerning the violation request.

#### **Q. PROCEDURE OF HIRING EMPLOYEES, VENDORS, OR CONTRACTORS**

The following procedure shall take place each time the association needs to hire a vendor to work on the association grounds. No exception shall be made unless Board approval is given. If Management Company is contracted, they have the authority to act in behalf of the Board as the Board sees fit and gives authority.

1. All Vendors are to submit bid of job to be completed. Upon submission of bid they must also include a copy of their license and business liability insurance. No vendor may begin work without these items having been submitted to the Board or Management Company.
2. If contract is necessary, one will be drafted by a designated Board member, Management Company, or the vendor. Contract will be approved and signed by all parties before work may begin.
3. Vendor will be responsible for acquiring all permits required for work to be completed. All permits and inspection reports must be turned in to the Board or HOA Management Company. If vendor fails to do so and the Association is fined by the city or county, vendor responsible will pay all fines charged.

Any unit owner completing exterior work not covered by the HOA must follow the same guidelines listed above. If unit owner completes work on own they must be willing to accept and sign a contract stating they accept full responsibility for any liability for any damages that may occur.
